A photograph of a dining table set for a meal. The table is light-colored wood and is set with two place settings. Each setting includes a white plate with a slice of cheese and berries, a glass of wine, and a glass of water. There are also two lit candles in holders, a bottle of wine, and a bowl of fruit. The background shows a modern kitchen and a window with a view of greenery.

# QUERCO

## Cork

Welcome to our line of high-quality European cork products! Our cork is sourced exclusively from Portugal, a region renowned for its superior cork production. We take pride in our commitment to sustainability and environmental responsibility, which is why we use only FSC-certified cork from responsibly managed forests.

Our cork products are not only good for the environment, but they are also good for the trees themselves. By taking cork from the trees, we actually help them absorb more nitrogen from the air - up to three times more than they would otherwise. This means that our cork products actually contribute to the health and wellbeing of the forest ecosystem.

In addition to being ecologically sound, our cork products are also 100% recyclable and cradle-to-cradle. This means that they can be fully reintegrated into nature as a nutrient-rich food source. Our commitment to sustainability extends throughout our entire production process, ensuring that our products are as environmentally responsible as they are durable and long-lasting.

# WHY QUERCO?

## FOODSAFE

The QUERCO collection has undergone rigorous testing and has obtained food safe certification, meeting the standards set by food safety regulatory authorities.

## WATER REPELLANT

The unique cellular structure of cork in the QUERCO placemats enables them to repel liquids effortlessly. Spills and moisture are no longer a concern as the cork acts as a natural barrier, preventing liquids from seeping through and damaging your table surface.

## STAIN REPELLANT

Accidental spills happen, but with the QUERCO cork placemats, stains are easily managed. The surface of these placemats is naturally stain-repellant, allowing you to quickly wipe away any mishaps with ease.
